

### **Whitman Group**

We are a group which consists of couples who have children who are in their late teens or early adulthood. We meet once a month (without children in attendance) in a member's home (this can be Oak Ridge, Lenoir City or Knoxville), for food and fellowship followed by a short devotion and prayer.

We also enjoy getting together for a fun activity or community service project outside of our regular monthly meetings. In the past, this has included helping to serve meals at KARM, biking Cades Cove, and renting a cabin for a weekend getaway.

We are a fun group of people who share a common belief that our role is to be an extension of the church, developing relationships through prayer, fellowship and play. It is our desire that every member of the church feel connected and valued.

We would love to have you join us at one of our meetings or activities!

### **Ramsey Group**

The Ramsey Care Group is made up of people in their thirties and forties. We meet together once a month in member's homes. The 2nd Saturday of each month we meet together for fellowship where we do fun creative activities. We have a time of praise and worship, with special songs by people within our group. We spend time together in prayer with and for our children and each other. We include the children in most everything we do in our meetings.

The families that attend our group are mostly from North Knoxville around the Halls, Powell, and Fountain City areas. However, anyone is invited to come to our group. We also have adventurous activities planned for the coming years, for instance: camping, hiking, picnics, and some community service as well. ### **Sagraves Group**

This care group is designed for young couples and families who are new to the church. Our desire is to form close friendships between members as we encourage one another spiritually. We are inspired by Philippians 2:4, which remind us that we should look not only to our own interests, but also to the interests of others. We want all who enter our care group to maintain a deep relationship with the Lord both individually and as a family as we spend time in fun fellowship.

### **Stan & Nancy Pippin – Directors**

Park West Church seeks to be a place where no one stands alone. This means there is a place here for you! David said in Psalm 142:4, "I looked on my right hand and no one cared for my soul." It is our goal to see that every person has the opportunity to participate in and be cared for by one of our care groups. Small groups at Park West Church are great places to connect and grow. The purpose of these care groups is to be a Community with a Cause - to be a place where people:

- Grow spiritually
- Grow relationally
- Care for each other
- Explore purpose in life
- A care group is a voluntary, intentional, face-to-face gathering of 3-25 people who commit themselves to meet on a monthly basis with the stated goals of fellowship, edification, evangelism, prayer and accountability.

If you are brand new to our church or have never experienced a small care group, then we would like to invite you to try out one of these groups. They meet monthly, usually on Friday or Saturday nights. We encourage the groups to provide fellowship, food, and ministry. [npippin@mc.utmck.edu](mailto:npippin@mc.utmck.edu) .

### **London Group**

The London care group is made up of young married couples with young children. Most of our couples have children that are babies and toddlers; however there are a few couples who are getting ready to start a family. Our group meets once a month for a time of fellowship along with food, prayer, and devotion. We meet mostly in the Hardin Valley area but, on occasion we meet at the homes of our other group members, mostly in West Knoxville. Our goal for our care group is to make everyone feel loved, welcome, and leave feeling a part of something. We believe that the a care group is a great way to become connected and build friendships, while also ministering to and feeding the soul of our fellow brothers and sisters in Christ.

### **Young at Heart Group**

Young At Heart, a very special ministry of Park West Church, consists primarily of senior adults, 50 and over, married and unmarried, as well as members with deceased spouses. The purpose of Young At Heart is to encourage the believer in prayer and study of God's word, to equip them for service. They also emphasize the value of being spiritual leaders of the family, even after the children have moved away from home.

Establishment of a prayer chain has brought forth testimonies weekly and even daily, of God's blessings and healings in many lives. The Young At Heart have adopted an outreach ministry of prayer and financial support of missions regularly.

This ministry meets once monthly for dinner and fellowship with one another. Their meetings take place at the church, various restaurants and homes. Annual trips are on the agenda, as well as monthly ladies' luncheon for friendship and ministry. If you want to be a part of this group please contact Ron and Pam at:

### **Andrade de la Torre Group (S.W.A.T.)**

Servants With Authentic Testimony is what best describes our group. That's why we call ourselves The S. W.A.T. group, for short.

We are a group of young professionals in our 20's and 30's with diverse backgrounds and interests. Although different, it's our differences that make our group welcoming and unique. Our primary focus is on developing Christ-like character as individuals and friendships as a community. We aspire to challenge and encourage one another in our walk with the Lord; and it's been a good journey so far. We aim to meet at least twice a month for Bible studies. This doesn't include the other times we get together for service projects within our community and for the occasional game nights, which you absolutely cannot miss. One thing especially enjoyable about our group is that our fellowship with one another isn't limited to our scheduled meetings; but that's why the Lord brought us together. You can count on food being a regular attendee at our meetings, sometimes even home cooked or grilled. As for our location, we meet in different homes throughout Knoxville.

So, if this sounds like a group you would like to visit, come by and check us out. Just don't forget to bring yourself, your Bible, and a sense of humor; and we'll provide the S.W.A.T. application. In addition, if you would like to visit or have any questions about the S.W.A.T group, you can contact Lettie: [let\\_tea@hotmail.com](mailto:let_tea@hotmail.com)

### **Brown Group**

Our care group will consist of younger couples with or without kids, but as far as the atmosphere of the group meetings, we would like it to be kid free as much as possible. Obviously small infants will be welcome but would really like sitters to be found for toddlers and older children so that time can be devoted to growing in relationships with each other and more importantly with the Lord. Meetings will be held at our home in north Knoxville.

### **Lubienski Group**

The Lubienski Care Group is primarily couples in their 40's and up. We meet the second Friday of each month for dinner, devotion, prayer and things to laugh or cry about. Why would you want to participate in this group? We are people mature enough to have experienced life's ups and downs and are still trying to grow in the Lord as individuals and couples. We understand that life is bigger than our situation and want to invest in others' lives.

### **Broadwater Group**

This is a group which consists of single ladies only. We meet once a month in a member's home or my home for food and fellowship followed by a short devotion and prayer. I feel that there is a passion for Christ in each of these single ladies and want to provide them with a place to share. I am very passionate about this group and hope your added passion will ignite a fire! Email me to get connected at [ldbwwjd@aol.com](mailto:ldbwwjd@aol.com).

### **Taylor Group**
